OLQA School iPad Program

Goals

- ◆ increase technology integration in the classroom
- ◆ answer to "1x1x15" Diocesan Technology access initiative
- ◆ move students above and beyond basic concepts and embrace the 4C's—communication, collaboration, critical thinking and creativity

Our Responsibility

- ◆ provide devices, network, internet access and filtering
- ◆ promote digital citizenship (safe and appropriate use)
- ◆ monitor and inspect activity
- ◆ prohibit device and network use we see fit

How Teachers Use iPad

- ◆ supplemental tool for instruction in all subject areas
- ◆ differentiate instruction
- ◆ the 4C's

Your Responsibility

- ◆ charge iPad daily
- ◆ accidental breakage or damage
- ◆ learning (doing appropriate tasks)
- ◆ be a digital citizen

What iPads Are Not

- ◆ to replace instruction
- ◆ time-filler
- ◆ to replace everyday activities
