### ***Suggested Guidelines for Parental Involvement in Homework***

---

OLQA School views parents as equal partners in their child's education. Parents may play a supportive role through monitoring, encouraging students' efforts, and providing a conducive learning environment at home.

#### **Parents are encouraged to...**

- Ask your child about what he/she is studying in school.
- Ask your child to show you any homework assignments.
- Assist your child in organizing homework materials.
- Help your child formulate a plan for completing homework.
- Provide an appropriate space for your child to do homework.

#### **Parents may, if they wish...**

- Help your child interpret assignment directions.
- Proofread your child's work and point out errors.
- Read aloud required reading to your child.
- Give practice quizzes to your child to help prepare for tests.
- Help your child brainstorm ideas for papers or projects.
- Praise your child for completing work.

#### **Parents should not...**

- Complete assignments for your child.
- Allow your child to sacrifice sleep to complete homework.
